Overview

AutoGate, Inc., is located near the shores of Lake Erie in Berlin Heights, Ohio. We are a family owned business founded in 1986. With a reputation for quality, we are the leading manufacturer of Vertical Pivot Gate systems. In addition to manufacturing the first UL 325 compliant vertical pivot gate operator, we also offer a full line of reversing/safety, accessory and access control devices.

Your Success is Pivotal – Take your next step with us.

Being a local company allows us to present our employees with career opportunities as we committed to promoting our employees from within. With a product suite focused on quality and over 90 combined years of experience in security sales and technical support, AutoGate is a complete source for secure entry solutions and offers employees new and exciting opportunities to grow with the company.

Our standard and anti-terrorism products are appropriate for commercial facilities, gated communities, mini storage facilities, marinas, high threat level installations and any other location where pedestrian and vehicle access need to be controlled. With our built-in Battery Back-up feature, you will have the security of knowing your gate will continue to operate during a short-term power outage.

AN EQUAL OPPORTUNITY EMPLOYER

It is the policy of AutoGate Inc. to provide equal opportunity for qualified persons and not to discriminate against any applicant for employment because of race, color, religion, national origin or ethnicity, gender, gender orientation, gender identity, age, disability, veteran status, citizenship, or any other characteristic protected by federal, state or local law at the AutoGate location to which this application is submitted. In addition, as a Federal Government contractor, AutoGate Inc. is an affirmative action employer. If you require accommodation during the application process, please contact the Human Resources department. EOE-Females/Minorities/Protected Veterans/Individuals with Disabilities

If you have a disability or impairment that prevents you from completing the online application, please seek the assistance of our Human Resources Department, 419-588-2796, ext. 124.
